Mr. Joe Gooter,
284 - 17th Ave.,
Paterson, N. J.

Dear Mr. Gooter:

I have just received confirmation from Mr. Kelley for the dates we wanted to play Negro National League baseball in Paterson for the first half of the season. I am enclosing you a schedule of the same.

We will be pleased to work under the same arrangements as before. I am asking the other teams to send their publicity directly to you, and I am directing my publicity man to do the same.

Mr. Menley will not return from the South until April 30th. If you want to see him at that time, or want to see me before, I will be glad to make the trip to Paterson.

I will appreciate a line from you or a telephone call, saying everything is all right.

Very truly yours,
